

About this form

This form is designed to be filled in on screen. You must answer all the questions except those marked 'optional'. You can't save the form but once you've completed it you'll be able to print a copy and post it.

Use this form to apply for approval to transfer your normal place of residence. An approval allows you to import goods into the United Kingdom (UK) with relief from import duties and charges. The goods in question must be destined for the UK only. If you are not claiming relief in the UK don't complete this form. Either use transit to move your goods to the other member state(s) or declare the goods to free circulation in the UK paying duties as required and claim retrospective transfer of residence in your member state of destination.

Conditions

To obtain the relief you must:

- be moving from a country outside the European Union (EU) to the UK, in order to live in the UK. You're thereby transferring your normal place of residence to the UK
- have lived outside the EU for at least the last 12 consecutive months
- have used and had possession of the goods for at least the last 6 consecutive months
- have used the goods and are going to continue using them in the new place of residence in the UK for at least the next 12 months
- be importing the goods within 12 months of coming to live in the UK
- not lend out, pledge, give away, hire out or transfer the goods within the first 12 months after the date on which they were imported

The relief does not apply to:

- alcoholic beverages
- tobacco and tobacco products
- commercial vehicles
- articles for use in the exercise of a trade or profession, other than portable instruments of the applied or liberal arts
